PROFILE SUMMARY

Specializing in LIVE Sports Broadcasts, Katelyn is equally skilled in Post Production, with extensive experience with Non-linear Editing and On-Screen Graphics. She oversaw the graphics row during the historic, National-Championship winning seasons of both Baylor Men's and Women's Basketball Teams and has experience in all control room positions. At the Big Ten Network, Katelyn helped design and build templates for the three new graphics packages that debuted during the 2024-2025 season.
